To Whom it May Concern,

I have had the pleasure to work with the MCL Construction team and Mike Lopez for the last five years on several Billingsley Properties in the Dallas Metroplex. MCL Construction have consistently delivered on budget, on schedule and high quality Tenant Finish interior projects each time we have worked with them. Mike and his team have knowledge of Billingsley property and requirements and always do a great job working with our onsite Property Management Team, Engineers and Tenants.

I would have nothing but the highest recommendation for MCL Construction to perform the work for your project.

Do not hesitate to contact me for further information.

Sincerely,

Tony Cummings RID IIDA LEED AP
