Re: MCL Construction / Mike Lopez

To Whom It May Concern:

I have had the privilege of working with Mike Lopez – both across the table and on the same team – over the last 7 years. As honest as the day is long, Mike is one of the few professionals in this business who will do what he tells you he is going to do. He has always diligently and capably handled all our business, usually solving any issues on his own and delivering his work either on time or ahead of schedule - making my job “easier”. I would be pleased to discuss Mike and his many attributes with anyone whom might wish to call, and strongly recommend you give him and his firm every consideration.

Sincerely,
